Lit order – no headway – Dan to keep us updated

The problem with placing order from WRSO.

i.e: Order would get placed, Sara would mail check, they would say they never got the check, they'd go back and finally say yes, they got it – lots of slacking and wasting of time.

NAS order would be Dan taking the money and getting it right from them.

PR is staying with WRSO per Ashley. There was a communication error between Lit Chair and PR Lit Chair.

Our AREA body to make decision: WRSO or NAS.

In favor of ordering from WRSO per GSR vote.

Regional services – Donna will be heading to regional office weekly if we need her to pick up anything.

Donna: AD HOC – Handout with 3 questions to take back to groups and subcommittees.

Talked about different things we can do as an area – i.e: create a handout type booklet for AREA? Need more involvement and commitment.

Hello Family,

I am happy to report that amazing things are happening at the Regional level. Last month the Wisconsin Regional Service Conference was held in Racine. The WSNAC hosting committee was also there this cycle. I was able to see the hotel & conference center that will be the location of this year's WSNAC. I have brought back flyers with the dates and location for the WSNAC event this fall.

The regional Public Relations sub-committee has a new chair person and he is looking for additional members to join the subcommittee. If you are interested in joining please email [pr@wisconsinna.org](mailto:pr@wisconsinna.org) You may be interested to know that all meetings are held via SKYPE so you do not need to leave your home to participate in this subcommittee. The webserver is also looking for assistance as he would like to continue improving the regional website. If you are interested in doing so please email at [webservants@wisconsinna.org](mailto:webservants@wisconsinna.org) Going forward please note that all event flyers will need to be sent in WORD or PDF format.

There are also some interesting things happening in literature at the World level. Currently, NAWS is looking to create a new book. "Spiritual Principle a Day Book Project" is now under way. WORLD service is encouraging Areas and groups to hold workshops so that they contribute to the making of this book. It is my hope that a workshop regarding this will be held at the Chili Cook off. Efforts to make this happen are already in the making. Please consider coming to this event to learn more. I am providing handouts for each GSR to bring back to their home-groups regarding this book project.

In case you were wondering what the Regional Service body is doing for you- I have excellent news! The WRSC has recently donated \$400 worth of Basic texts for H&I in the South Western Area of Wisconsin (SWANA). The WRSC is working on ways in which it can help improve the quality of service that our members provide. During the January cycle the WRSC has voted to provide / pay for the registration costs of 2 addicts from every AREA in the Wisconsin Region to attend the Multizonal Service Conference. This is a weekend long event that will be held in September 2019. It will take place on 9/13 thru 9/15/2019 in Racine. This is the same weekend & location that the WRSC will meet. In theory we could send a car load of addicts to attend this Service event and they could room with the RCM. This would be extremely cost effective for our Area. Please tell your homegroups about this.

In loving Service,

Kristen

Hello Family,

Not much to report this month. Have not been able to get through to the parks dept to reserve Bay Beach yet, but I have off this week. Chili cook off is March 2<sup>nd</sup>, still trying to lock down a speaker yet. Will be making the banner Thursday during the day and will plan a subcommittee in the next few weeks. No news on merch yet. And the body should know I will be moving to Appleton in June, which I will not be able to continue activities after the 3 on 3, but can do merch through the new activities chair from afar.

In loving service,

Devin
